COVID Promissory Note

Our number one goal is to keep our community safe at all times. Not only does this mean looking out for the wellbeing of our students, but also, importantly, for that of our hardworking teachers and staff, who care for our students each and every day, and are the backbone of our school.

Your COMPASS Academic Program will follow your school's calendar for days off, holiday breaks, and inclement weather closings. The CLA Pod Learning Program will follow the following criterion for the wellness of all stakeholders.

1. Health & Safety –

- a. Students and teachers will be washing their hands often and frequent with soap and water. (if outside in our community, a hand washing station will be provided)
- b. Students and teachers are required to follow social distancing policies recommended by the CDC. We recognize that our new normal is a learning process. When social distancing is not possible, masks are encouraged. Students will determine if they need a break from the mask and can distance, or activities that are naturally socially distant, masks are allowed to be down or off.
- c. At drop off, temperatures will be taken and recorded. Any student with a 99.9 reading, parents will be notified. Any student with a 100.4 or greater temperature will not be allowed to attend in-person sessions until a fever is not present in the absence of any medication, OTC or otherwise for 48 hours.
- d. CLA will be notified in advance of any travel plans. If you or someone in your family travels to a “hot zone”, your child in the pod must quarantine for 14 days. Alternatively, you can submit results of a negative rapid test to return to the pod.

2. Sanitization-

- a. CLA will provide all necessary resources to sanitize provided materials. These resources will be used daily by the instructor to sanitize all items and materials at the closure of the pod.
- b. It is the responsibility of each family to ensure personal use items are consistently sanitized daily.

3. Location –

- a. CLA aims to provide as much instruction outside as possible as part of our response to COVID with best practice as suggested by the CDC. We will be using public space such as parks, sidewalks, retail and bathrooms.
- b. In the absence of precipitation or the threat of eminent precipitation:
 - i. the temperatures ranging 95-60 degrees Fahrenheit all sessions will be held outside.
 - ii. the temperatures ranging between 59-32 degrees Fahrenheit, sessions will be hybrid, alternating intervals spent throughout the session inside and outside.
 - iii. with temperatures ranging 31 degrees Fahrenheit or less, sessions will be majority indoors, with limited intervals of outdoor time.

- c. In the presence of precipitation or the threat of eminent precipitation:
 - i. The learning pod will be moved to either of the following locations:

1. _____

2. SkyClub, 125 Marshall, Hoboken, NJ 07030

- ii. The pod will be notified through email and text when an alternative location is required. *Check the accuweather forecast app for weather prediction & forecasting.

4. Dress Code-

- a. Please be mindful that we are going to be learning outside. Clothing should be active and understood to exhibit wear and tear accordingly.
- b. Students should dress weather and temperature appropriate and be prepared with additional layers daily.

5. Attendance-

- a. Attendance will be taken at the onset of each day. This will be tracked through a signature system at drop-off and pick-up.
- b. CLA will be notified when a student is planning to be absent, dropped off late or picked up early in writing.

I, _____ as a parent or legal guardian of, _____ hereby waive any and all rights of claims for damages of any kind against COMPASS Learning Advantage LLC D/B/A COMPASS Learning Advantage (CLA), its officers, employees and agents, that may arise out of participation in CLA activities.

I acknowledge each of the named statements in compliance with CLA requirements for the COVID-19 response protocols. By signing this agreement, I understand and agree to its terms and request that CLA include my child in its Learning Pod program.
